Please continue to wash your hands often, disinfect high-touch areas, and clean surfaces well.

HUNKER DOWN MEANS TO STAY AT HOME

Juneau residents are required to stay at home as much as possible, except to:

- work in critical jobs
- buy, sell, or deliver groceries or other important goods
- receive or provide health care
- get fresh air without contacting others

On the limited occasions when individuals leave home, they should maintain social distancing of at least six feet from any person outside their household whenever possible.
