Subject: Attendance at Virtual Meeting

EXTERNAL E-MAIL: BE CAUTIOUS WHEN OPENING FILES OR FOLLOWING LINKS

Hello,

I was very disappointed today when I tried to call in a bit late for the first meeting of the Economic Stabilization Task Force and was told by a recording that I could not join because it was full.

I hope that some provision is made in the future to accommodate whatever number of citizens choose to call in for meetings.

Thank you for your attention to this problem.

I would like a copy of the minutes of this meeting if they are available to the public.

Marjorie Menzi
