Subject: Public Comment - Patricia Hickok

Good afternoon,

I took a call from Patricia Hickok who has concerns regarding property taxes. She owns two commercial buildings and a duplex in the downtown area. She knows relief programs for renters are being stood up, however she is wondering if any relief will be granted to property owners. She has concerns about tenants not being able to pay rent.

If further information is needed she can be reached at:

Patricia Hickok
[REDACTED]

Thank you.
