

# What you need to know about riding **CAPITAL TRANSIT**

## Only ride when necessary

Try to limit your rides to essential needs such as access to employment, groceries, health care, and medicine.

## Maximum capacity 14 riders

If a bus has 14 riders, it will not pick up new passengers until someone exits. If your time is flexible, avoid peak travel times. Try taking the bus between 9 a.m. and noon, when there are fewer riders.

## Face coverings

Cloth face coverings are required when riding the bus. Please help us protect other riders and drivers.

## Rear door boarding

Please enter and exit through the rear doors. The front door may be used for people that require ramp assistance.

## Social Distancing

Please keep at least six feet between yourself and other riders while waiting for buses, when boarding and exiting, and while riding.
