## DIRECTIONS

**STEP 1:** Using your hands, mix soap & water until well blended, minimum of 20 seconds. Rinse with hot water.

**STEP 2:** Carefully cover nose and mouth for continued protection.

**STEP 3:** For best results, always add 6-10 feet for social distancing.

**STEP 4:** If something doesn't seem right, test before continuing.

**STEP 5:** Repeat steps 1 through 4 as needed.
