

Juneau Glacier Valley Rotary Club September 11 Ceremony

David Paranteau©

Public Service Announcement

The Juneau Glacier Valley Rotary Club will be hosting the ceremony commemorating the events of September 11th and honoring Juneau's first responders at the September 11th Memorial virtual ceremony. We invite you to view the ceremony at:

<https://vimeo.com/456453612>

As a community and witness to that event, it is important that we remember what transpired that day, how we felt, and recognize our response to it- the sense of community, the recognition of our first responders, and the way we pulled together to get through something that changed many lives.

We encourage people to take time on Friday, September 11th to stop by the Memorial that day for a moment of reflection and Remembrance.

As part of our promise to "Never Forget."

For more information about the ceremony, please contact Beth at 723-3116.
